

A small-business prime contractor delivering nationwide supply chain, contact center, and technical services — built on trusted partnerships and a quality culture.

Communication Logic, LLC (CommLogic) is a mission-driven small-business prime contractor headquartered in Ventura, California. Founded in 2020, we deliver nationwide supply chain and logistics, customer engagement and contact-center operations, and technical and facilities services to federal, state, and local government. CommLogic keeps quality control, compliance, invoicing, and government interface in-house while mobilizing a proven bench of teaming partners for field execution.

CORE COMPETENCIES

- **Supply chain & logistics** — nationwide distribution and supply-chain management for federal programs, including multi-year IDIQ delivery.
- **Customer engagement & contact centers** — human, AI, and hybrid engagement across voice, chat, email, SMS, and social, supporting hundreds of thousands of interactions monthly.
- **Technical services** — audiovisual system design, delivery, programming, and installation.
- **Facilities services** — janitorial and grounds maintenance.
- **Prime contractor management** — in-house quality control, compliance, invoicing, and government interface across all service lines.

DIFFERENTIATORS

- Prime contractor discipline: QC, compliance, invoicing, and government interface retained in-house while proven partners execute in the field — a repeatable model across AV, facilities, logistics, and contact-center work.
- Federal supply-chain scale: more than \$10M in federal contract awards, including a \$9.6M five-year GSA IDIQ.
- Cross-agency experience: GSA, the U.S. Air Force, the U.S. Navy, the Department of Veterans Affairs, and state clients including the Ohio Attorney General’s Office.
- Established teaming bench: a vetted network of qualified subcontractors mobilized for technical, facilities, and logistics execution.
- Small-business agility with nationwide delivery reach.

GSA IDIQ — Pet Food & Supplies · General Services Administration · Prime

~\$9.6M (5-year IDIQ) · 10/2025–10/2030 · Nationwide pet food distribution and supply-chain management.

JBSA Lackland AFB — Pet Food Supplies · U.S. Air Force · Prime

\$733,619 · 04/2026–04/2031 · Pet food distribution.

VA Healthy Teaching Kitchen — A/V Installation · Dept. of Veterans Affairs (Audie L. Murphy VA Hospital, San Antonio, TX) · Prime

\$39,642 · 01/2025–03/2025 · Design, delivery, programming, and installation of A/V systems; project management, testing, billing, and client interface.

PAST PERFORMANCE — DETAIL**GSA IDIQ — Pet Food & Supplies**

General Services Administration · Prime contractor · ~\$9.6M (5-year IDIQ) · 10/2025–10/2030

As prime on a five-year GSA IDIQ valued at approximately \$9.6M, CommLogic provides nationwide pet food distribution and supply-chain management — coordinating procurement, logistics, and multi-state delivery while retaining quality control, compliance, invoicing, and government interface in-house.

JBSA Lackland AFB — Pet Food Supplies

U.S. Air Force (Joint Base San Antonio–Lackland) · Prime contractor · \$733,619 · 04/2026–04/2031

Prime contractor delivering pet food supplies under a five-year U.S. Air Force contract, managing procurement and distribution to meet installation requirements on schedule.

VA Healthy Teaching Kitchen — A/V Installation

Dept. of Veterans Affairs, Audie L. Murphy VA Hospital, San Antonio, TX · Prime contractor · \$39,642 · 01/2025–03/2025

Prime contractor for the design, delivery, programming, and installation of audiovisual systems for the Healthy Teaching Kitchen. CommLogic led project management, administration, billing, client interface, and testing and oversight, with a specialist teaming partner executing the field installation.

DELIVERY MODEL

CommLogic operates on a prime contractor management model: we keep quality control, compliance, invoicing, and government interface in-house while mobilizing vetted partners for field execution. The structure is repeatable across supply chain, audiovisual, and facilities work, giving agencies a single accountable prime with the flexibility to scale delivery by project.

SERVICE LINES

- **Supply chain & logistics** — nationwide distribution and supply-chain management for federal programs.
